About Jean …

Jean is the owner of Wells Creek Dog Training on the Central Coast of Oregon and has been involved in dog training in various forms since 1984. She has competed and trained her own personal dogs to titles in AKC Obedience and Rally, Agility, Herding, Tracking, Field Trials and Conformation and K9 Nose Work.

Since becoming a CNWI in 2011 she has brought K9 Nose Work to the Central area of Oregon, teaching many classes for various organizations in the area including Safe Haven Humane Society and the Emerald Dog Obedience Club. She has since gone on to become a NACSW Certifying Official, CO Training Liaison as well as the NACSW's National Trial Approval Coordinator.

Jean and her husband currently share their home with two German Shepherds and two Basset Hounds, all of whom are competing at different levels of K9 Nose Work.

With new trial opportunities just beginning, wouldn't you like to feel more confident in your ability to read and support your dog in searches**?** Jean's goal for this seminar is to help you to create the best team possible for you & your dog! Using a multi-level approach, Jean's focus will be on guiding us to become better handlers – by understanding our dog's problem-solving skills, we will learn to read our dogs better, making us a better team. Jean will help us to better identify our team's strengths and learn how to lean on those strengths to break down challenging search areas into manageable puzzles. Join us for this "don't miss" workshop!
